

Bent Crandall Program

Since 2010, Bent Crandall has served more than 200 individuals to support their recovery goals and independence.

- 12–18 month residential dual diagnosis program
- 12 Residential beds and 2 Transitional beds
- Staff members are available 24 hours a day to provide support and guidance
- We have one full time Case Manager to assist with treatment planning, appointments, coordinating care, and maintaining benefits
- Monthly program fees

Bent Crandall was established in 1976 and is a 12-18 month Residential Treatment Program. We care about the people we serve and are dedicated to serving them well by offering a plethora of services within our program. We understand the need for specific goals and objectives to develop solutions that deliver optimal value on a consistent basis.
