

Jason Hyatt Center

Transitional Residential Program

This program is a 5-bed transitional residential of up to 12-18 months.

**On-site staff
24 hours a day**

Ages 18-25

Our program provides support for those individuals in transition between different levels of care.

If you or someone you know needs help, contact Sound Community Services today!

PROGRAM INFORMATION

At the Jason Hyatt Center Transitional Program, we are focused on providing a supportive environment for our residents where they can focus on their recovery and build their independent living skills before transitioning to more permanent housing through person-centered planning and goal setting. Our staff hold weekly in house programming and outings into the community for residents to partake in during their time. Our team is dedicated to connecting you to competitive employment within the community and social supports through the AXS Center.

CRITERIA

- Have an AXIS 1 psychiatric diagnosis or co-occurring psychiatric and substance use disorder.
- Must actively be working towards goals.
- Must be engaged in treatment/therapeutic programming during the week.
- Must be willing to be medication compliant.
- Must possess safety skills.

SERVICES

- 24-hour support services
- Medication Monitoring
- Outside AA/NA meetings
- In-house groups/meetings, AXS participation, job readiness
- 1:1 and group skills teaching
- Weekly treatment team meetings
